

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF TEXAS

No. 6:24-cv-00138

**United States of America,**  
*Plaintiff,*

v.

**\$79,685.00 in United States Currency,**  
*Defendant.*

**FINAL JUDGMENT**

The government instituted this civil forfeiture action on April 15, 2024. Doc. 1. In accordance with the Supplemental Rule for Admiralty or Maritime Claims and Asset Forfeiture Actions G(4), the government gave public notice of this action. Docs. 5, 5-1. The government also made reasonable efforts to give notice to the only known potential claimant. Docs. 7, 7-1. The government is not aware of any other potential claimant to whom notice is owed or who may have a claim of right, title, or interest in the property. Doc. 7. There has been no claim, answer, or other responsive pleading made within the time required by law. Therefore, the court finds that forfeiture of the property is warranted.

The clerk of court has, upon request, entered default as to all potential claimants. Doc. 8. The government has moved the court for default judgment. Doc. 7. Therefore, the court now grants that motion (Doc. 7) and enters judgment of forfeiture and declares, adjudges, and decrees that all right, title, and interest in the \$79,685.00 seized from Bank of America account ending in 91341 is vested in the United States. It is ordered that the defendant property shall be disposed of according to law.

*So ordered by the court on July 1, 2025.*
